## FROM THE PRESIDENT

I look forward to seeing our labour movement gather together on behalf of all workers in the Yukon territory. We have grown our labour movement over the past 3 years and there's opportunity for even more as our workforce continues to expand. We are also pleased to partner with CALM (Canadian Association of Labour Media) offering a MINI- Conference December 5, 2025 the day before our convention.

This will be an excellent time of networking and planning for the future of labour for #YukonWorkers! This year we celebrate 45 years as a federation, being Chartered in 1980 by the Canadian Labour Congress (CLC).
